Amy Grice earns Doshier Hospital Triple “E” honors for Q3

SOUTHPORT—Patient Accounts representative Amy Grice is the Employees Exceeding Excellence award recipient at Doshier Memorial Hospital for the third quarter of 2016.

Doshier colleagues say Grice is a model for excellence in Patient Accounts, and with 18 years at the hospital, is the “go to” person in that department. Her supervisor says, “We get many patient calls or visits to our office and she is always helpful to everyone. Amy exhibits a great deal of compassion and understanding.”

For her achievement, Doshier presented Grice a check for \$250, a letter of commendation from the hospital president, and other perks.
