### **Ava McDonald earns Doshier Hospital Triple “E” honors for Q2**

SOUTHPORT—Case Manager Ava McDonald is the Employees Exceeding Excellence award recipient at Doshier Memorial Hospital for the second quarter of 2016.

Doshier colleagues cite her “warmth, patience and greatheartedness,” in often difficult conversations with patients and family members. Coworkers say she has soothed multitudes of people during her 18 years at Doshier.

For her achievement, Doshier presented McDonald a check for \$250, a three-month membership to Cape Fear Fitness, a letter of commendation from the hospital president, and other perks.
