Clinic employee earns Doshier “Triple E” honors for Q2

SOUTHPORT—Linda Heaton, medical assistant at Doshier Medical-Urgent Care, is the Employees Exceeding Excellence award recipient at Doshier for the second quarter of 2017.

Doshier colleagues say Heaton provides individual attention to her patients and takes extra time to explain services provided and why. Co-workers note that she remains calm in emergencies and adds a personal and caring touch.

Heaton has worked in healthcare for 20 years, including the last three at Doshier’s Urgent Care clinic at 4222 Long Beach Road, Southport.

For her achievement, Doshier presented Heaton a check for \$250, a letter of commendation from the hospital president, and other perks.
