**Dosher Foundation receives \$20,000 grant from  
Louis Bacon's Orton Foundation**

SOUTHPORT— Doshier Memorial Hospital Foundation has received a \$20,000 grant from [The Orton Foundation](#), the North Carolina affiliate of [Louis Bacon's Moore Charitable Foundation](#), for the hospital's Emergency Department, which treats more than 13,000 patients per year. "We are grateful for the partnership and support of the Orton Foundation that has awarded a total of \$150,000 in grants over the last several years to support Doshier's Emergency Department," said Lynda Stanley, Doshier Foundation President.

The most recent grant will provide support to enable the purchase of mobile laptop carts which will enhance medication administration by utilizing a barcode scanning verification process to match medicine to patient identification bands, resulting in heightened patient safety and administration efficiency.

"Doshier Memorial Hospital continues to ensure that the people of Brunswick County and visitors from North Carolina and beyond benefit from advanced critical care services and innovations in emergency equipment. We are proud of our long-term partnership," said Louis Bacon, founder and chairman of The Moore Charitable Foundation and its affiliates.

**About Doshier Memorial Hospital**

Doshier Memorial Hospital is the only independent critical access hospital in North Carolina. Founded in 2010, the Doshier Hospital Foundation works to improve access to healthcare services for area residents by seeking and allocating philanthropic funds.

**About The Orton Foundation**

The Orton Foundation, an affiliate of The Moore Charitable Foundation founded by Louis Bacon in 1992, focuses on protecting the Cape Fear River Basin's unique wetlands,

lands, forest and wildlife habitats. The Orton Foundation also supports educational, health care and community programs in the region.
