Doshier Announces Latest “Triple E” Recipient

SOUTHPORT—Megan Shrewsbury, an Organizational Development Specialist at Doshier Memorial Hospital, is the most recent recipient of the hospital’s Employees Exceeding Excellence, “Triple E” Award. Ms. Shrewsbury has been with Doshier since 2010, first in the Patient Service Center, and subsequently promoted into positions in Materials Management and the Pharmacy Department. Megan moved into the Human Resources Department while completing her Bachelor’s Degree in Business Administration with a concentration in HR, however, this team-oriented member of the Doshier staff is known for assisting other departments as needed, when for the greater good of the organization.

Ms. Shrewsbury is recognized for her loyalty, professionalism, strong communication skills, and for always seeking ways to improve the employee experience. A colleague who nominated Megan for the award noted, “It seems like if something needs to be done, give it to Megan. She’ll make it happen.”

Ms. Shrewsbury is an avid reader, dedicated Jurassic Park fan, and lives in Southport with her husband, two children, and three cats.

Doshier Triple E’s are nominated by their peers on a quarterly basis.
