SOUTHPORT—Kaitlin Johnson, a Care Coordinator at Doshier Memorial Hospital, is the hospital’s latest recipient of the Employees Exceeding Excellence, “Triple E” Award. Kaitlin has been in the healthcare field since 2011, began at Doshier in 2018 as a Patient Access Associate, and was promoted to her current position in March of this year. Kaitlin’s passion is assisting patients and appreciates that in her role, she helps ensure that they are getting the best care possible.

Kaitlin was born and raised in Mt. Airy, NC and is currently enrolled in Liberty University to obtain her Bachelor’s Degree in Healthcare Administration. She loves traveling, family gatherings, kayaking, taking her Golden Retriever Ivy Jane to the beach, reading, being outside, and making people smile.

Colleagues who nominated Kaitlin for the award noted that, “She goes above and beyond for our patients. She is always willing to help anyone, anytime. She is just overall a great employee, hard worker, and a wonderful person. Doshier is lucky to have her on the team!”
