Dosher Foundation Gala raises \$60K

SOUTHPORT—The 2017 Doshier Hospital Foundation Gala commemorated the 100th anniversary of the start of Dr. J. Arthur Doshier's service as a U.S. Army surgeon during World War I. The military-themed event in April also recognized 30 U.S. veterans on hand that evening. The Gala raised more than \$60,000 toward health and wellness programs and services at the hospital.

"Thanks to co-chairs Tish and Dr. Joe Pat Hatem for helping raise more than \$400,000 from the seven Galas to date," Foundation Board Chair Barbara Boland says.
