Doshier Foundation Gala raises \$70K

SOUTHPORT—A record crowd of more than 240 guests at its Gala in April helped the Doshier Memorial Hospital Foundation raise more than \$70,000 toward health and wellness programs and services at the hospital.

“Our eighth annual gala was an elegant event and grand evening. We are grateful to our many sponsors which included Duke Energy and 75 other businesses, organizations, and individuals who helped to make this year’s gala such a rousing success,” Gala Co-chair Tish Hatem says.

“We are grateful for the vision, hard work and commitment to the Doshier Gala of Dr. and Mrs. Hatem and their committee for the past eight years,” Foundation President Lynda Stanley says.
