Dosher Foundation Raises $850.00 through Assistance of Local Business

SOUTHPORT—A weekly wine tasting event hosted by Southport wine store Uncorked by the Sea helped raise $850.00 for the Dosher Memorial Hospital Foundation.

Uncorked by the Sea, which holds wine tastings each week on Thursday evenings, donated their voluntary donations for the wine tasting plus 10% of the proceeds of all wines sold during the event to the Foundation during the month of May.

Jeffery and Meredith Muehleib, the owners of the wine store, select a different charitable cause to support each month at their wine tastings.

"We appreciate the generosity of Uncorked by the Sea, as well as their patrons in supporting Dosher," says Lynda Stanley, Dosher Memorial Hospital Foundation President.

About the Dosher Memorial Hospital Foundation

The Dosher Hospital Foundation works to improve access to healthcare services for area residents by seeking and allocating philanthropic funds. For information on all Dosher Foundation programs, call (910) 457-3850 or click on Dosher.org/foundation.

About Uncorked by the Sea

Uncorked by the Sea opened in Southport in the spring of 2011, and Jeff and Meredith became the sole owners of the business in January of this year. They enjoy being a part of the community as well as continuing the giving tradition to local Brunswick County non-profits. For more information, call (910) 454-0633 or go to www.uncorkedbythesea.com
