Doshier Foundation heart event raises \$20K

SOUTHPORT—The “Heart to Heart” program by Doshier Memorial Hospital Foundation last month drew a sell-out crowd of 230 guests and raised more than \$20,000 for cardiac rehabilitation and heart health programs at the hospital. The event raised more than twice the amount as the prior year, organizers said.

For more information on Doshier Foundation programs, call 910-457-3850 or visit Doshier.org/Foundation.
