Doshier Foundation heart event raises more than \$20K

SOUTHPORT—The fourth annual “Heart to Heart” program by Doshier Memorial Hospital Foundation on February 8 drew a sell-out crowd of 310 guests and raised more than \$20,000 for the Cardiac Rehabilitation department and other heart health programs by the hospital. Attendance has grown steadily since the first event which had 160 participants.

The Foundation thanks Dr. James McCriskin of Cape Fear Heart Associates-NHRMC Physician Group for his keynote remarks this year.
