## **Dosher Foundation honors Agovino**

SOUTHPORT—The Doshier Memorial Hospital Foundation Board has approved a resolution commending former Board member Joe Agovino for his work to establish the Foundation in 2010 and helping it raise nearly \$900,000.

“Joe Agovino had a vision and championed the establishment of the Foundation to provide philanthropic support to Doshier Hospital. He has been an advocate for the value the Foundation brings for both friends and fundraising for the hospital,” Doshier Foundation Board Chair Barbara Boland says. “Joe has been instrumental in the Foundation raising close to \$900,000 in funds, pledges and goods since its inception.”

Agovino served on the Doshier Foundation Board for six years, completing that term last month.

“Joe Agovino has supported our golf classic, gala and all other efforts to make the Foundation successful for the past six years,” Doshier Foundation President Lynda Stanley says.

Agovino continues service to Doshier and the community as secretary of the Doshier Hospital Board of Trustees.
