## **Doshier Foundation to announce major gifts campaign, public invited**

SOUTHPORT—Doshier Memorial Hospital Foundation is kicking off a major gifts campaign called Helping Hands for a Healthy Community on Friday, November 3, 2 p.m. at the hospital lobby. The public is invited.

At that time, the Foundation will announce the amount of the campaign goal and unveil a donor wall with the names of individuals, organizations and businesses that have supported the Foundation.

Since formation in 2010, the Doshier Foundation has raised nearly \$800,000 for health and medical service expansions and equipment at the hospital. The new major gifts campaign will more than double that amount.

"We have a great story, great donors and a great community. Our major gifts campaign brings all of them together," Doshier Foundation President Lynda Stanley says.

The Foundation asks those planning to attend the one-hour reception that day to call 910-457-3850 by Monday, October 30.
