Doshier Medical Staff, Hospital, Backs Clinic

SOUTHPORT - Physicians and other providers on the Doshier Medical Staff, along with Doshier Memorial Hospital are donating \$7,500.00 to New Hope Clinic, a local non-profit organization which provides healthcare services to low income and uninsured residents of Brunswick County.

Sheila Roberts, Executive Director of New Hope Clinic, said, "The funds donated by the Doshier Medical Staff and the hospital enable us to provide the quality healthcare services that our community relies on. We are very grateful for the generosity of Doshier and their staff members."

"Doshier is happy to match the generous donations of the Doshier Medical Staff," said Lynda Stanley, President and CEO of Doshier Memorial Hospital. "New Hope is an essential partner in providing care to our community."

About Doshier

Doshier Memorial Hospital of Southport is a critical access hospital serving Smithville Township and the surrounding areas. In addition to an emergency department and a 25-bed patient care unit, Doshier operates a network of medical and surgical services in our local area which includes five primary care clinics, a Convenient Care, a general surgery practice, and a women's health clinic, with our major service lines including orthopedics, pain management, cardiac rehab, speech and physical therapy, and hyperbaric wound care. For more information on hospital services, visit our website at Doshier.org.

About New Hope Clinic

New Hope Clinic is a 501c3 nonprofit organization which provides quality medical, dental, health education and pharmacy services to low income, uninsured Brunswick County adults in a caring, patient centered setting. For more information on services or how to become a patient, go to newhopeclinicfree.org
