SOUTHPORT— Doshier Memorial Hospital leaders, staff, volunteers, Foundation members, Board of Trustee members, and friends gathered in the Doshier Hospital Lobby on June 6th to commemorate the 89th anniversary of the opening of the hospital.

A speaker program, which featured remarks from Chairman of the Doshier Board of Trustees, Dr. Scott Starks, Doshier Department of Medicine Chair Dr. Joe Pat Hatem, Doshier Hospital Foundation President Lynda Stanley, and Doshier President and CEO Tom Siemers, focused on the history of the hospital, the accomplishments and contributions of its founder Dr. J. Arthur Doshier, recognition of the hospital staff and volunteers, and acknowledged the hospital's role in the community and the medical services the hospital provides.
