Doshier Receives Donation for Employee Assistance Program

SOUTHPORT – CPSI/Evident, a consulting and IT provider to the healthcare industry, presented a \$4,234.00 check to Doshier Hospital, comprised of funds donated from their employees, to help Doshier staff members affected by Hurricane Florence. Doshier has enjoyed a 30 year relationship with CPSI, whose subsidiary Evident is a leading provider of electronic healthcare record solutions. “We’re very grateful for the generosity and compassion of the Evident team, which compelled them to help our employees who suffered losses from the storm,” said Tom Siemers, Doshier CEO. The money will go into the Doshier Employee Assistance Fund, which is used to provide emergency assistance to Doshier employees who are met with unforeseen financial challenges.

Posing with the check are Doshier CFO Dan Porter, Doshier CEO Tom Siemers, Doshier Board of Trustees Chairman Dr. Scott Starks, Steve Reams, CPSI Client Success Manager, Lamar Cowart, Vice President, CPSI

Client Relations, J.D. Hammond, Doshier Clinical Informatic, Susan Gill, Director of Information Systems, Doshier, and Carol Northup, Vice President, Doshier Patient Care Services
