## **Doshier Volunteers reach \$2-million**

SOUTHPORT—Doshier Volunteers recently passed the \$2-million mark in support to the hospital. This is from the hospital Gift Shop and sales of furniture and other donated items at the Flea Market at 129 N. Moore Street. The equipment that helped reach this milestone was a \$90,000 ultrasound machine purchased last year. Several dozen staff, physicians, and board members recognized the accomplishment at the Volunteers' monthly meeting on Jan. 21.

**(Seated)** Volunteers President Jeri Robinson, Vice-president Ann Hollingsworth, Treasurer Lois Galligan, Chaplain Verda Darrell. **(Standing)** Hospital Board Chairman Dr. Scott Starks, and members Karen Taylor and Debbie Wood, CEO Tom Siemers, CFO Dan Porter, and Chief Nursing Officer Carol Northup.
