Doshier board elects three officers

SOUTHPORT—The Doshier Memorial Hospital Board of Trustees has re-elected Sherri Marshall as board chair. Also elected to one year terms as officers were Karen Taylor, elevated from board secretary to vice chair, and Joe Agovino, who succeeds Taylor as secretary.

Each member of the seven-member body was elected to a six-year, non-paying term on the board by residents of Smithville Township. The all-volunteer board provides governance for the operation of Doshier Memorial Hospital and its health and wellness services and facilities. Read more at www.doshier.org.
