### **Doshier honors Volunteer Organization's \$2.4 million contribution to hospital**

SOUTHPORT— The Doshier Memorial Hospital Volunteers are a wonderfully diverse group of men and women who make a difference in the lives of patients and their families through donating their time to perform a number of administrative tasks along with managing the hospital gift shop and the Doshier Flea Market in downtown Southport. Recently, a plaque was installed at the Doshier Flea Market to commemorate the Volunteer Organization's \$2.4 million all-time financial contribution to the hospital, as of the end of 2021. The funds raised through the Doshier gift shop and the flea market are used to purchase equipment for the hospital to enhance patient care.

Lynda Stanley, President and CEO of Doshier Memorial Hospital said, "We greatly appreciate the generous and meaningful service of our volunteers and the financial support they have effected through their dedicated hard work. This spirited group plays an integral role in Doshier's ability to provide extraordinary care to our community."
