Doshier Honors Volunteers

SOUTHPORT— Doshier Memorial Hospital recently celebrated their dedicated volunteers with a Kentucky Derby style awards and appreciation luncheon at the St. James Community Center. Over 200 members of the community volunteer at Doshier. Volunteers manage the front and back entrance desks, operate the switchboard, perform plant care, escort patients to the appropriate departments, and run the hospital gift shop as well as the Doshier thrift shop, just to name a few duties that they perform. Volunteers donated 26,348 hours to Doshier in 2018 and nearly \$197,000.00 from the thrift and gift shop proceeds, in which they purchased equipment for the hospital to enhance patient care.
