Dosher names network revenue cycle manager

SOUTHPORT—Dosher Memorial Hospital has hired Jennell Crump as network revenue cycle manager, a new position. She has 29 years of experience in healthcare financial services.

Crump joins Doshier from Charlotte, where she worked in group annuity operations at MetLife for two years. Previously, she was revenue cycle manager for Cone Health Cancer Center and managed care contracting and professional fee billing manager for Moses Cone Healthcare, Greensboro, N.C.

Crump is an avid runner and jazz music enthusiast.

She earned a Bachelor of Arts degree in Communications, Radio, TV and Film from Shaw University, Raleigh.
