Doshier names new IT leader

SOUTHPORT—Ken Worley is the new director, Information Technology, at Doshier Memorial Hospital. Worley has 15 years of experience in information technology and network administration, and reports to Doshier Vice President and CFO Dan Porter.

Worley joins Doshier from Roytec Industries, LLC, Woodstock, Ga., where he worked in a similar position for eight years. Previously, he worked for Aaron's Inc., Kennesaw, Ga., for two years.

Worley is interested in many aspects of the arts, including drama groups, dance instruction with his wife, and playing guitar. He is a member of Toastmaster International and is a Certified Professional Photographer.

He earned a Master of Business Administration in Information Systems degree from DeVry University Keller Graduate School of Management, Downers Grove, Ill., and a Bachelor of Science Degree in Telecommunications from DeVry.
