## **Doshier names new director for Surgical Services**

SOUTHPORT—Kim York, RN, BSN, has been promoted to director of Surgical Services at Doshier Memorial Hospital. York was the acting director the past four months. She has worked in surgical services for 11 years, including three years at Doshier. York reports to Doshier Vice President and Chief Nursing Officer Carol Northup.

Previously, York worked in surgical services for Novant Health Brunswick Medical Center, Bolivia, Providence Hospital, Anchorage, Alaska, and University of Kentucky-Good Samaritan Hospital, Lexington, Ky.

York holds two certifications from the Competency and Credentialing Institute: Certified Nurse Operating Room and Certified Surgical Service Management. She earned a Bachelor of Science in Nursing degree from East Carolina University, Greenville, and a Master of Science degree from Western Kentucky University, Bowling Green.
