Dosher partners with NHRMC group for cardiology services at Wellness Center

SOUTHPORT—Dosher and NHRMC Physician Group - Cape Fear Heart Associates announced today that the cardiology practice will lease about one-third of the second floor at Dosher Wellness Center.

Board-certified cardiologist Dr. James W. McCrisky with Cape Fear Heart Associates has been seeing patients at an office on the first floor of the Wellness Center since June 2017. Starting in September, the practice will occupy more than 4,000 square feet of space on the second floor which has been customized for this cardiology group.

“Dosher has collaborated with New Hanover Regional Medical Center and its physicians for several services over the years. It’s great to have them on board as a partner for cardiology services at our Wellness Center,” Dosher President & CEO Tom Siemers, says.

“NHRMC and Cape Fear Heart Associates are pleased to provide care close to home for patients in the Southport/St. James area,” said David Parks, vice president of Regional and Specialty Services at NHRMC. “Offering high quality cardiac care by a compassionate team at the Dosher Wellness Center gives us the opportunity to continue our mission of leading our community to outstanding health.”

September marks the second anniversary of the Wellness Center that includes Dosher services for family medicine, cardiac rehabilitation and physical therapy services, and NHRMC Physician Group - Atlantic Urology.
