The funds will go toward the purchase of five vital sign monitors and a bladder scan instrument for Doshier Memorial Hospital's Emergency Department, which has earned two national awards the past two years for patient satisfaction.

"The Orton Foundation continues to recognize the high-quality care that Doshier provides the community and has supported the hospital with a total of \$105,000 over the past four years," Doshier Foundation Board Chair Barbara Boland said. "Generous partners like The Orton Foundation are vital to the success of the hospital in providing essential services to our patients."

The Doshier Emergency Department treats 13,000 patients per year.
