Doshier to Celebrate 92nd Birthday at Southport Summer Concert Series

SOUTHPORT— Doshier Memorial Hospital, which opened its doors on June 2nd 1930, will celebrate its 92nd anniversary in Franklin Square Park as a sponsor of the Southport Summer Concert Series on June 2nd, 2022. Doshier will provide a shaved ice for each concert attendee as a birthday treat from 6 – 7 pm, which will be available from a concessions truck parked at N. Howe and E. West Street.

Doshier President and CEO Lynda Stanley looks forward to combining this special date for the hospital with a highly anticipated community event. “We are grateful for the ongoing support from local residents and look forward to thanking our community in person on the second of June,” said Stanley. “We appreciate the cooperation of Downtown Southport, Inc. in allowing us to have a presence at the concert on this most significant day. What better way to celebrate a birthday than listening to great music from the Back Porch Rockers and being among friends?”

All are welcome to attend.
