## A Word From Doshier Foundation President, Lynda Stanley

Welcome to the "Foundation Focus!" One of the goals of the Doshier Foundation is to maintain

consistent communication with our donors and supporters. Our hope is that this monthly newsletter will allow you to be the first to know what's new at the hospital and to see the projects and improvements that your donations help fund. We look forward to connecting with you through stories about our patients, staff, events, and Foundation members to give you a more personal snapshot of the organization that you have generously supported.

I would like to introduce you to Antonette (Toni) McAndrews. Toni has recently joined the Doshier Foundation as our Development Specialist. Toni has an extensive background in fund raising, event planning, marketing, and public relations with several non-profit agencies in both NC and FL. Toni will be working closely with the Doshier Foundation Board and Foundation supporters in event planning and fund raising and will play a key role in keeping the lines of communication open between the hospital and our donors. Enjoy the newsletter!

Lynda Stanley, FACHE  
President, Doshier Memorial Hospital & Foundation

## About the Doshier Memorial Hospital Foundation:

Since opening its doors in 1930, Doshier Memorial Hospital has received excellent financial support from its friends and neighbors in the community it serves. As the hospital has grown, however, increases in giving options, as well as the hospital's donor base, have created the need for a central channel through which funds may be received, recorded and allocated. To meet that need, the Doshier Memorial Hospital Foundation was established in March of 2010. The Foundation's primary responsibility is to encourage a steady flow of funds to the hospital from individuals and organizations within the hospital's service area.

**Thank You for  
Your Support!**

These funds enable Doshier Hospital to continue providing its patients with the finest healthcare equipment, programs and services possible, as well as provide the resources necessary for construction, expansion and remodeling projects.

## Donation Dollars At Work!

Funds raised by the Doshier Memorial Hospital Foundation help provide the hospital with updated equipment and program and service enhancements which ensure our community members receive the highest level of care.

Items such as cardiac rehab bikes and treadmills,

x-ray machines, diabetes software, mammography supplies and blood culture machines have been purchased with Foundation donations.

## How You Can Donate / Types of giving

There are a wide variety of methods by which you can make a contribution to the future of healthcare through the Doshier Hospital Foundation. The following are some of the possible types of gift vehicles which may be utilized to make a contribution to the Doshier Hospital Foundation: Cash, Personal Property, Real Estate, Stocks, Bonds, Securities and Life Insurance.

**Annual Giving Fund:** Because of the annual support of friends like you, Doshier Memorial Hospital can continue to grow and fulfill its mission of providing comprehensive medical care to the citizens of Smithville Township and surrounding communities...care that is Patient Focused, Quality Driven, Efficient and Provided by Professionals. ## When It Comes To Cardiac Rehab, You Have Our Heartfelt Commitment

It takes team work to manage a heart condition. It begins with experienced clinicians, an exercise program, nutrition counseling, stress management and most importantly; a patient willing to make the effort. The Doshier Cardiac Rehab group is here to provide you with the knowledge and tools you need to make healthy lifestyle changes and to support you in your recovery...every step of the way!

## Heart to Heart 2021

Heart to Heart, The Doshier Foundation's women's heart health program, has been a much anticipated annual event which in past years, has provided a fun night out for our local community in addition to offering valuable information on heart health.

This year, due to safety precautions, Heart to Heart went "virtual." We invite you to watch the taping of the program, which streamed from the Doshier Cardiac Rehab on February 16th. Included in the speaker lineup were Doshier Cardiac Rehab patient Kay Jolliff who shared her heart story, and Dr. Timothy Winslow from Cape Fear Heart Associates who discussed heart disease risk factors and prevention.

Thank you to the **Tom and Susan Rabon Charitable Foundation** for their generosity in donating \$3,200 to purchase a Cardiac Rehab bike in honor of Ms. Pat Eide.

*thank you*

## Mark Your Calendar!

**May** Lupus Awareness Month  
Arthritis Awareness Month  
Stroke Awareness Month  
Mental Health Awareness Month

The 2nd & 4th Wednesday of the month are **"The Total Joint Experience."** Our goal is to prepare you for this experience and help you set expectations for a speedy recovery. We believe an educated patient will recover quicker and get back to normal life activities. Sessions are the second and fourth Wednesdays of every month 11 a.m. to noon, in the second floor conference room at the hospital. The class will help patients know what to expect.
