Foundation Gala raises more than \$80K, recognizes clinical forbears

SOUTHPORT—The Doshier Memorial Hospital Foundation's sixth annual Gala last month raised nearly \$81,000, thanks to more than 75 sponsors and ticket sales of 200.

The Foundation recognized six descendants of caregivers who worked with founding physician Dr. J. Arthur Doshier (alphabetically): Karen Fisher, Col. Willie Gore, Thomas J. Harrelson, Joe Loughlin, Jeanne Potter, and Ennis Tobler.

Co-chairs for the event were Dr. and Mrs. Joseph Hatem, for the sixth consecutive year. Platinum sponsors of the Gala were ADM, Duke Energy and PDA, Inc.

For more information on Doshier's charitable foundation, call Foundation President Lynda Stanley at 910-457-3850 or visit www.doshier.org/foundation.
