## **Housekeeper earns Doshier “Triple E” honors for Q2**

SOUTHPORT—Koren “Cory” White, Doshier Environmental Services, is the Employees Exceeding Excellence award recipient at the hospital for the second quarter of 2018.

Colleagues say White takes pride in her work and has been repeatedly recognized by patients for room cleanliness. Co-workers also note that she communicates patient needs to the Nursing staff and anticipates staff needs.

For her achievement, Doshier presented White a check for \$250, a letter of commendation from the hospital president, and other perks.
