

# Are you looking for your first job as a professional Registered Nurse?

Dosher Memorial Hospital is launching its Newly Licensed Registered Nurse Program. This year-long program will support the transition from student to professional RN, giving you the skills and experience to succeed in the nursing profession.

Your experience begins with month-long rotations in acute care, emergency, and perioperative nursing. Upon completion of those assignments, the nurse will be matched to a specific unit based on their interest and work style.

Monthly training sessions will include:

- Expert Guest Presenters
- Simulation Learning
- Evidence-Based Practice Project
- Critical Thinking development without the hustle and bustle of the units
- Dedicated sessions on Resilience and Stress Reduction

**Receive a \$5,000 sign-on bonus with a 2-year program commitment.**

**Dosher is accepting applications from qualified individuals who have:**

- Completed a Nursing Degree (Diploma, Associate's Degree or Bachelor's Degree) from an accredited nursing program prior to start date
- Successfully completed the NCLEX exam. Senior nursing students are eligible to apply before taking the exam but if offered a position in the program, offers are contingent on passing the NCLEX.
- Possess an active nursing license in North Carolina prior to employment start date in the Nursing Residency Program.

## How to Apply

***Applications are currently being accepted for the 2022 program.***
