SOUTHPORT—The 21<sup>st</sup> semi-annual drug drop at Doshier Memorial Hospital is scheduled for Thursday, October 3<sup>rd</sup>, between the hours of 9:00 am and 1:00 pm. Local residents are invited to drop off unwanted and expired prescription medications at the hospital entrance, where law enforcement then takes what is collected for safe incineration.

At Doshier's last drug drop, in April of this year, we collected over 11,700 expired of unwanted narcotic pills and nearly 1,900 milliliters of narcotic liquids from 535 households.
